RULES AND REGULATIONS

Upon issuance of a parking permit, the following stipulations apply. Violations may result in a revocation of parking privileges.

1. Per AACPS Regulation for Student Parking at High Schools (JGA-RA), each high school that has parking spaces available for students will be charged a **\$30.00 non-refundable fee for the school year (\$15.00 non-refundable fee per semester). The fee applies for any part of the semester that the space is used by the student and will not be pro-rated.** All revenue collected from student parking will go toward property improvement, school improvement or student-related expenditures. Permits that are lost or misplaced can be replaced at the cost of \$10.00. Permits are issued on a yearly basis.
2. All vehicles parking on school property must **display a valid parking permit on their front windshield driver side.** Temporary permits may be obtained through your CAT-North administrator on a day-to-day basis.
3. All students with a permit **must park in their assigned slot which matches the number on their permit.**
4. Students will **respect the buses**, give them right-of-way and keep a safe distance from them.
5. **Students violating the late/tardy policy will have their permits revoked and face disciplinary action. First Tardy is a warning, second is a phone call home, third is a removal of parking permission for one week, fourth is removal of parking privileges for the remainder of the semester.**
6. Students will not linger at their car or in the parking lot. Students will park and promptly enter the building. **Students are held accountable for their behavior and actions in the parking lot per the student code of conduct. Students that violate or make unsafe choices will risk the removal of their parking privileges.**
7. **Students will drive slowly and cautiously on school property** and follow instructions from adults on duty in the parking lot.

IMPORTANT! The school reserves the authority to tow vehicles without proper permits or vehicles parked in unauthorized areas. All expenses will be covered by the owner/student for any cars which are towed. Any students not following these policies will face disciplinary action and removal of their parking privileges. Repeated violations of these policies may result in suspension.
